Honorable Theresa Brennan  
53<sup>rd</sup> District Court  
224 N. First Street  
Brighton, Michigan 48116

Dear Judge Brennan,

I am respectfully requesting that you to resign immediately. The people of Livingston County deserve better. Your antics in recent years have resulted in outrage by the citizens that we serve.

Michigan's code of conduct for judges requires you to forgo even the appearance of impropriety in all activities. Your relationship with Detective Furlong and your refusal to recuse yourself from a trial involving Mr. Furlong indicates a breach of the code of conduct.

Your conduct on the bench is equally concerning. People's lives hang in the balance in your courtroom and it appears you treat them unfairly. This misconduct in office required your recent removal from a divorce proceeding in your courtroom.

The people of Livingston County have suffered enough. Please resign.

Sincerely,

  
Senator Joe Hune
