

NO ONE WANTS TO BAN BOOKS

BUT NOT EVERY BOOK IS APPROPRIATE FOR OUR CHILDREN'S CLASSROOM

"I'd heard rumors of what was in our school library and being assigned to students but assumed it couldn't be that bad. I was wrong."

— Jane W., mother of 6

"16 years ago, we moved to Hartland because of the school's stellar reputation. Now, we find our kids being exposed to grossly inappropriate material in their classrooms. The lack of leadership from the superintendent and certain members of the school board has failed our students."

— Matt, father of 4
