Good Morning Mike,

I have deleted the items you wished. Do you want table cloths on the tables or keep them the way they are. They do look nice. Once you let me know I will resend you the new invoice and send to Gordie as well.

Thank you,

Wendy [REDACTED]

Ok, do you want me to replace those 2 items with something else? Or leave as is?

Hello Mike,

Can you please look over the menu. Let me know if you want changes made, take off some food items and/or add on different ones. I think I may have to many options but I want your opinion before I sent it to Gordie.

Thank you,

Wendy

Gordon,

Got your message on the tickets. We are not going to have any printed up. With campaign finance reporting, tickets are a pain, cause then we have to track people down. I would suggest forwarding this to anyone interested and having them fill out the form and bring a check, or pay online, because this will capture all the information needed for reporting.

I will be calling Wendy today and coming up with a game plan for food

You got it- attached! Give us a bit and we will get the actual links live as well on WinRed so the hyperlinks don't take you to a generic page.

Hey Sheriff,

Just a quick note to let you know Mike Rogers locked in 6/26 with Mr. [REDACTED] for an event at his place. I know you have a big event coming up next week but maybe after that we can find some time to hop on the phone to connect on the [REDACTED] event? Would really like to get your help!

Thanks,
